MUST PAY TAXES.

Decision Against the Presbyterian Home Mission Board.

NEW YORK, July 13.—The Board of Home Missions of the Presbyterian Church and the Board of Foreign Missions of the Presbyterian Church have failed in the attempt to have the assessment and taxation upon its property at Fifth avenue and Twentieth street for the year 1894 declared illegal. A decision was given today by Judge Beach in the special term of the Supreme Court, sustaining the demurrer, which was interposed in behalf of the city. Judge Beach gives judgment for the city on the demurrer, with leave to the Board of Missions to amend the complaint. The Board of Missions claimed possession of the property on April 15, 1893, and made preparations to erect its new building. Some of the leases did not expire until May, 1894, and in the meantime, the board closed last night, had a registered attendance of 8,000. Several thousand of the teachers left today for Manhattan and other points in the mountains to spend their vacations, and hundreds have departed on excursions to Salt Lake, California, Yellowstone Park and the City of Mexico.

Large Amount of Property Destroyed in the Metropolis—Village of Cherry Hill, N. J., Demolished.

NEW YORK, July 13.—The first tornado in many years struck New York this afternoon, and resulted fatally in one instance, besides wrecking a large amount of valuable property. The tornado descended upon the upper part of eastern New York known as Cypress Hills, at half-past 4 o'clock, continued on its way to the Tower Plains district, and from there traveled to Woodhaven. One life was lost, and the damage to property was great. A number of people were badly hurt.

WET DAY IN BOSTON

RAIN HARRIED THE GREAT ENDEAVOR MEETING ON THE COMMON.

Between Forty and Sixty Thousand People Forced to Seek Shelter Soon After the Services Began.

THE TENTS AGAIN CROWDED

Numerous Addresses Delivered on Good Citizenship.

Mechanics' Hall Packed with Little Endeavorers in the Afternoon—State Rallies at Night.

BOSTON, Mass., July 12.—The weather man, after bestowing on the Christian Endeavor convention, since Wednesday, when it opened, the finest weather, today sought to serve Satan by destroying the arduous of the Endeavor army by sending upon it a deluge of rain, just as the assault upon Mammon was about to culminate in the great outdoor religious gathering announced to take place this noon upon Boston's historic Common. On that green, a vast assemblage, estimated at between forty thousand and sixty thousand persons, was ready at the midday hour, to begin what would have been the greatest religious gathering in the history of the world. The clear sky of the early morning was already marred by ominous clouds, and President Francis E. Clark, D. D., glanced fearfully skyward, but opened the services at the appointed hour. Then came the heavy rain, but the discomfort of thousands of dripping umbrellas did not prevent a mighty rendition of "Onward, Christian Soldiers." Dr. S. F. Smith, author of "America," was introduced, and the thousands sang a verse of the hymn in compliance to its author. By this time the rain was falling in torrents and President Clark announced an adjournment to the big tents, Endeavor and Williston, near by. About fifteen thousand found seats and the remaining thousands went away.
